**FotoFocus** and the New Museum (235 Bowery) co-host a panel discussion, "Robert Mapplethorpe: The Perfect Moment, 25 Years Later," on November 19, 7 p.m., in the museum's theater. The night commemorates the 25th anniversary of the photographer's controversial 1990 exhibition in Cincinnati. Kevin Moore from FotoFocus moderates the panel of leading curators and a legal expert.
