### Fotofocus Biennial; Congrats Sheldyn!

The **Cincinnati Fotofocus Biennial** is coming up in a few weeks, featuring numerous exhibitions, lectures, and photography opportunities from October 8–November 1, with most of the events occurring during our Fall Break (Oct. 8–12). I attended in 2012 and had a wonderful experience gallery hopping in downtown Cincinnati.

Super big congratulations to our very own Sheldyn Duff whose work was juried into the regional student show. Her work and others will be on display at the Findlay Street Project Space with an opening reception on Saturday, October 11 from 11 AM–2 PM.
